Constant innovation and contribution to the traffic safety industry

Understanding client needs - The Traffic Safety Store is staffed by courteous professionals who understand the importance of listening to the customer in order to better satisfy their unique needs. Furthermore, all phone calls are answered quickly by people with the experience and product knowledge to address your needs.

Same day shipping - The Traffic Safety Store has been a leader since 2002 in the manufacturing and distribution of safety products worldwide. With our 18,000 square foot distribution center in suburban Philadelphia, plus manufacturing facilities in Ohio, Minnesota and California, more than 90 percent of our products ship the day your order is received.

First in the traffic safety market - Never ones to accept the status quo, the Traffic Safety Store is constantly looking for new and better ways to improve its offering. In addition to designing innovative products for use on the roadway and parking lot, we are always looking for cost-effective ways to streamline warehousing and shipping.
